Equitation & Hunter Hack info

English Equitation:

In this session, running from 1:00 pm to 3:00 pm, Karen will cover what judges are looking for with English Equitation. Hunt seat equitation on the flat is an evaluation based on the ability of a rider to perform various maneuvers in harmony with his/her horse. The communication between horse and rider through subtle cues and aids should not be obvious. Equitation is judged on the rider and his/her effect on the horse. Hunt seat equitation on the flat provides a base for a natural progression to over fence classes.

Session Price \$45.00

Hunter Hack:

This session will run from 3:30 pm to 5:30 pm, and will cover beginner to intermediate levels of Hunter Hack. Jumps are to be spaced on multiple of twelve (12) feet (3.65m), minimum of thirty-six (36) feet (10.97m). Obstacles to simulate those found in hunt field.
