

ROCKY MOUNTAIN JUNIOR PAINT HORSE CLUB

RMjPHC is comprised of youth, 18 years of age and under, who are actively involved in raising and showing registered Paint Horses throughout Colorado and the Rocky Mountain region. Our club's objectives are to improve and develop the capabilities of youth individually and through group participation in breeding, raising, and exhibition of the American Paint Horse. We strongly encourage high moral character, sportsmanship and exemplary conduct in all phases of competition. The RMjPHC also coordinates fundraising in to support club activities, year-end awards, and service projects for our community. Just a reminder, all donations are tax deductible!

We sincerely appreciate your generosity & sponsorship of our program.
