

Get Ready.....Get Set.....SHOW!!!

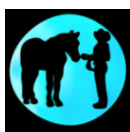

Sponsored by the Rocky Mountain Paint Horse Association

Looking for the edge in Showmanship or Horsemanship to get into the placings? Wondering what the judges are really looking at or for? We can help! Join RMPHA at a Showmanship & Horsemanship clinic on Saturday, March 21, 2009 at the Hanlon Hill Paints Barn. *(please bring your own chairs)*

Morning session (9 am– 12 pm) - **John & Cindy Weaver, both Judges & Professional Trainers** of Castle Rock will help with planning ahead for your Showmanship patterns, explain what judges are looking for when you are exhibiting, and also assist with some Halter techniques. As a special bonus, learn grooming tips to be at the top of your game before going into the arena.

Afternoon session (1 pm – 4 pm) – **Larry Willard, Judge, Trainer & Professional Horseman’s Association Member** of Kiowa will assist in making your Horsemanship pattern sparkle. He’ll tell you also what judges are looking for and help you learn how to perfect your patterns each and every time.
